Once completed, the form can either be faxed to the number above or emailed to enquiries@rush.gb.net
If you would like to discuss any aspect of the proposals, please do not hesitate to call us. Rush Construction Services will contact you shortly to discuss your proposals.

Please read these notes:

This form is an enquiry form only and is not a physical order whereby Rush Construction Services will charge for services provided. Prior to Design or Construction work, a quotation will be sent detailing the charges and the terms of contract. Work will not be undertaken unless acceptance of the quotation in the form of an order or payment is made. By completing this form you are not entering a contract. Information provided in this form is used by Rush Construction Services for quotation and preliminary scoping purposes and it is the Developers responsibility to ensure his information is correct. Rush Construction Services cannot be held liable for errors or omission of relevant information by the Developer during completion of the form.

Rush Construction Services will not provide information given as a result of this enquiry to any third party, other than as necessary for application to a Gas Transporter or Gas Supplier in order to complete their proposals.
